COMMON ORDER:

In all these writ petitions, petitioners are owners of residential houses/plots situated at road No.37 of Jubilee Hills. Aggrieved by the notification dated 25.3.1998 issued by the District Collector, Hyderabad under Section 4(1) of Land Acquisition Act, 1894 (the Act, for short) proposing to acquire a part of their property for laying a new road between road Nos.36 and 37/widening the existing road No.36, the present writ petitions are filed. This Court, while admitting the writ petitions, directed the respondents not to dispossess the petitioners from the lands until further orders.

It is now brought to the notice of this Court that the Government of Andhra Pradesh have withdrawn the proposal to lay a new road between road Nos.36 and 37 and proposed to widen the existing road No.36. For that purpose, the respondents also approached the petitioners to give consent for taking their land for widening the existing road No.36. It appears that most of the petitioners do not have any objection for parting with their land for widening the existing road No.36. Be that as it is, the learned Assistant Government Pleader, attached to the Office of the Advocate General of Andhra Pradesh, submits that the respondents are taking necessary steps to withdraw the impugned notification dated 25.3.1998 and proceed with the widening of the existing road No.36. The same is recorded.

In view of the submission made on behalf of the Government, which is recorded as above, no further orders are necessary in these writ petitions and these writ petitions are, accordingly, disposed of. No costs.
